The venues and contact information here are based primarily on previous Festivals, and offered merely as suggestions to Fringe performers and are not endorsed in any way by the San Francisco Early Music Society (SFEMS).

Other venues in the Berkeley area may be booked and used for Fringe concerts. All bookings, fees, and concert logistics are the responsibility of the performing group.

See <https://berkeleyfestival.org/fringe-performers-information> for Fringe concert blackout times (corresponding with main stage concert times) before booking a venue. Fringe concerts are permitted during these times, but will not be publicized by the Festival.

*\*Availability at the California Jazz Conservatory is very limited due to class and concert schedules.*

*\*\*The Festival is coordinating Fringe concert bookings at Loper Chapel at First Church Berkeley UCC (First Congregational), one of the Festival's main stage concert venues. Please note that available times at Loper Chapel are very limited.*
