The venues and contact information here are offered merely as suggestions to Fringe performers and are not endorsed in any way by the San Francisco Early Music Society (SFEMS). Other venues in the Berkeley area may be booked and used for Fringe concerts. All bookings, fees, and concert logistics are the responsibility of the performing group.

See www.berkeleyfestival.org for Fringe concert blackout times (corresponding with main stage concert times) before booking a venue. Fringe concerts are permitted during these times but will not be publicized by SFEMS.

**SFEMS is coordinating Fringe concert bookings at the First Congregational Church, one of the Festival's main stage concert venues. Please note that both the Sanctuary and Loper Chapel may have limited availability based on rehearsal and green room requirements for main stage events.*

***Availability at the California Jazz Conservatory is very limited due to class and concert schedules. Please inquire (bfx.fringe@sfems.org) for more information.*
